

LANCASTER PISTOL & RIFLE CLUB

P.O. BOX 2402

LANCASTER, OHIO 43130

Meetings: The December Club meeting will be on Monday, December 11th at Fat Cats Pizza in Lancaster, 1448 Ety Rd. starting at 7:30. The Executive Committee will meet at 7:00 before the meeting.

Pistol league is shooting Thursday nights starting 7:00 – 9:00. When the cold weather stops us, we will take a break until probably around March. If the weather holds off a few more weeks, we'll be shooting.

Several members have been out to the range to sight in for deer season. Based on the targets I saw, there will be some full freezers soon. Good luck!!

This year we have completed many projects at the range.

- 1. The rifle backstop was rebuilt. This reinforced and solidified the backstop to restore it from years of erosion.**
- 2. A new retaining wall was built along the rifle range. The berm is regraded and more secure.**
- 3. New electrical service was installed. This allows us to simply flip light switches instead of the circuit breakers.**
- 4. The rifle target is expanded.**
- 5. New straw was installed on the backstops.**

Thank you to all the members that came out for the work parties to help complete these projects. We have several projects planned for next year to improve the safety and functionality of the Club. These include:

- 1. Install bunkers to permit shooting steel targets on the ranges.**
- 2. Rebuild the short pistol range.**
- 3. Install a 50-yard berm on the rifle range to permit shorter range shooting there.**
