**Meetings:** The May Club meeting will be on Monday, May 14<sup>th</sup> at Fat Cats Pizza in Lancaster, 1448 Ety Rd. starting at 7:30. Executive Committee will meet at the Range on May 7<sup>th</sup> at 6:00.

The recent Work Party built a new target berm at 50 yards on the rifle range. In addition, there is now a spinner bunker for RIMFIRE ONLY on the rifle range. Bring your own spinners.

**Pistol League:** The Spring Pistol League is starting. We shoot Thursday evenings 7:00 – 9:00. The cost is \$20 to participate. Included in that are all your targets for 1 – 3 guns. There is a \$7 annual NRA fee.

**Note:** if you want in on the CMP 1911 sales you must participate in a marksmanship activity.

**Matches – Match season is here. Rifle & pistol matches are scheduled as follows:**

- A. ARA Rimfire Rifle Matches: Saturday's starting at 9:00 – May 19, June 16, July 21, August 18, September 15.
- B. Pistol NRA 1800 Matches: Saturday's starting at 9:00 - May 12, June 9, August 11, September 8, and October 13.

**Membership:** Interest in joining our club has been very strong this year. We have averaged 9 prospective new members each of the last 3 months. As a result, our membership is full. In 2014, the members capped our membership at 200. As a result, the leadership has created a committee to evaluate our membership and capacity to add beyond that level. Among the issues involved includes: safety at the range, capacity at the range and our ability to manage a larger club.

**Club website:** [WWW.LPRCOhio.Com](http://WWW.LPRCOhio.Com) You asked for it, we now have it! Our own website. Dan Turner has been busy working on this for us. It is a work-in-progress, so please be patient. One rule that we are trying very hard to adhere to is NOT publishing personal info on the web. We'll post an email if its attached to an article, but we are trying to not post names or phone numbers of members to protect your privacy. We have an email account setup to receive communications and a Google Phone number for questions. Look at it. We can add new sections and features. Please remember, this is a voluntary effort Dan is doing, so it may take time to add your ideas in, but he'll try.
