

LANCASTER PISTOL & RIFLE CLUB

P.O. BOX 2402

LANCASTER, OHIO 43130

Meetings: The July Club meeting will be on Monday, July 9th at Fat Cats Pizza in Lancaster, 1448 Ety Rd. starting at 7:30. Executive Committee is not scheduled to meet in July

The recent Work Party built a new target berm at 50 yards on the rifle range. In addition, there is now a spinner bunker for RIMFIRE ONLY on the rifle range. Bring your own spinners.

Rifle Range Rules: The new 50-yard rifle backstop and spinner bunker have been installed. We are still working out some of the rules, but here's a start:

50-yard spinner bunker: 1. Rimfire only! 2. Spinners and self-healing targets only. 3. Cans, bottles, other objects are prohibited.

50-yard backstop: 1. Paper targets only. 2. Targets MUST be placed so your shot will impact the dirt backstop. 3. 24" *18" political sign frames work very well. Bring some along if you have them. There is cardboard available in the pistol house if you need a backer. 4. Center-fire is allowed on the 50 yard backstop.

100-yard steel bunker: 1. Bring your own steel target. 2. Your target MUST be designed for the load you are shooting. 3. Cans, bottles, other objects are prohibited.

If you have suggestions for additional rules, please notify a Board Member or bring it up at the next meeting.

Membership: Interest in joining our club has been very strong this year. We have averaged 9 prospective new members each of the last 3 months. As a result, our membership is full. In 2014, the members capped our membership at 200. As a result, the leadership has created a committee to evaluate our membership and capacity to add beyond that level. Among the issues involved includes: safety at the range, capacity at the range and our ability to manage a larger club.

The youth league has requested that the range be made available to them on three additional dates (a 3rd shooting session each month). Monday, June 26, is the next date they would like to shoot. 4th Monday.
