

# LANCASTER PISTOL & RIFLE CLUB

P.O. BOX 2402

LANCASTER, OHIO 43130

**Dues:** 2019 invoices have been mailed, with a due date of January 1, 2019. Please return all forms, whether anything is due or not, because we are asking for DOB for each member so that the work party dues can be properly applied.

**Pistol Range Update:** *The Pistol Range is closed for construction until further notice.* Range progress is slow due to the exceptionally wet weather. Forms for concrete are being installed this week, with concrete expected to be poured this week. everything is prepped and ready to go as soon as we get things dry enough to work effectively. We still need to rebuild the short-range backstop and redesign the doors for that area. The rifle range is open.

**Meetings:** The December Club meeting will be on Monday, December 10th at Fat Cats Pizza in Lancaster, 1448 Ety Rd. starting at 7:30. Discussion will include changes and upgrades to the pistol range. Executive Committee will meet December 3 at the range at 7:00

**Pistol League:** The Fall Pistol League has finished. We will resume when the winter weather breaks in March.

**Matches – Pistol NRA 1800 Matches:** The 2019 match schedule is completed. The matches will be on the FIRST Saturday of each month; May through October, except July.

**Membership:** *Our membership is currently full.* However, with renewals in January, we typically have some members that do not renew and will have some openings. We will let the membership know how many openings will be available for new members in January. If you have friends that are interested in joining next year, they can start attending their 3 meetings in December or January.

**Club Secretary needed.** After several years of serving on the Executive Committee, I am stepping aside. If you are interested in the position, contact any member of the Executive Committee.
