Membership Committee report –

None

Old Business:

Need applicants for the Tech Officer position, if interested contact any of the officers.

Nominations for club officers are being taken now through the next meeting. Elections are to be held at the September meeting.

New Business:

Tim Nead presented some new facts about the ATF and state regulations. Any purchaser of a firearm without a CCW will probably have a visit by a Sheriff's Deputy to process an identity check.

Member Recognition:

Eric Hysell was recognized for his donation of a large quantity of fuel oil to the club for our heaters, and also for his continuing participation at our work parties.

Rule Review:

The use of shotguns at the range was discussed. Initial sighting in of slug guns can be done in the rifle house on the first two positions with the concrete benches, further adjustments should be done at the rifle range. Patterning of shotguns should be done at the 50ft range in the pistol house with care being taken not to inflict damage to the berm. All target stands shall be repaired after use.

50/50 Raffle:

\$104 collected, Tim Nead won the drawing
