Vice President report –

The work party scheduled for May 20th has been rescheduled to Friday May 19th due to conflict with the ARA Match. The work party will still be renovating the 100yd rifle target stands. If you can bring chain saws, impact drills, ladders and other tools it will be appreciated. The old stands will be torn down and 2 12ft stands will be erected with a 12ft space in between them to allow access for our bale elevator to place straw on the hillside.

Executive Officer report –

Soda will remain the same cost as last year due to finding items on sale. There was \$11 collected for drinks. Please when using either the large fan or the compressor please turn the timer control past the 15 minute mark, otherwise the timer will not shut off automatically.

League Secretary report –

The Bullseye 1800 match last Saturday had 7 paid shooters. The ARA league will hold their shoot on Saturday May 20th. The Bullseye league is still shooting on Thursday evenings starting at 7pm. The Rimfire league is still in progress with several shooting on Tuesday evenings.

Chief Security & Safety Officer report –

There was a Safety Orientation held on April 17th for 2 prospects. The Junior League will start in June when school is out for the summer.

Special Events Coordinator –

Reminder that the Family Picnic will be held this year on September 30th at the range.
The sale of tickets for the December pistol drawing is still on-going at each meeting.

Technical Officer -

There was a change to the web site with the addition of a tab for new prospective members.

Membership Committee report –

Two new members were voted in. Five first time prospects and three second time prospects attended.

Old Business:

Eric Anderson held a Range Officer Safety course with 2 members attending and receiving their RSO certification. They will be a great help with the Junior League this year.

New Business:

WARNING:

During the Bullseye League shoot last Thursday a car containing 3 teenagers came through the open gate and two males entered the pistol house. The pistol house door was propped open with the shooters going down range to score their targets. Luckily there will still somebody in the pistol house to chase the intruders away. Please do not leave the pistol house door open!

Member Recognition:

Rule Update:

50/50 Raffle: There was \$82 collected, the winner Roger Ansel returned all but \$2 back to the Junior League.
