Vice President report —

No report

Executive Officer report —

-\$37 soda / target money collected, needs to restock water

League Secretary report —

-ARA rimfire and bullseye 1800 leagues still active, Thursday bullseye league and a fall .22 league are also active

LPRC Rimfire League News

There will be a shorter rimfire league this fall starting now and with a planned wrap up by the end of October.

We will be shooting only six targets per rifle.

Two divisions, bolt and semi-auto like before.

The hope is that those who signed up in the spring or in previous years that were unable to participate will be able to participate in this league (2 trips at 3 targets a trip to the range is all you need to do). If you have targets already, please use those targets and put your name date and what rifle you are using. There is NO charge for this league if you have participated in previous leagues (please use any unused targets that you may have as we are running low on targets). There will be no awards for this session, just bragging rights.

Contact Brad Soddors at 614-395-1359, soddorsbj@yahoo.com for more info and targets.

Technology Officer report —

-No report. Paul Kruggel will be assisting Caleb Huckins who will be transitioning with his family to a new home in Kentucky

Chief Security & Safety Officer report —

-No safety orientation held

-Youth League is happening Wednesday evenings from 6-8pm. RSO's needed.

Special Events Coordinator report —

-The Annual Club Picnic will be held on Saturday, September 28. There will be more raffle selections for this year, many were on display at the meeting. Please mark your calendars for 12-3PM now!

-We are having another members firearm raffle this year, one 50/50 ticket from the monthly meeting can be used monthly for this drawing. The drawing to be at the December meeting. The firearm will be a Taurus 6 shot 38+P mm Revolver, optics ready.

Membership Committee report –

(2) 3rd time prospective members recommended for full regular membership and voted in.

Old Business:

- We need to post signs, communicate at tonight's meeting, and communicate via email in multiple blasts that **the 50 yard rifle backstop has decayed and is no longer safe for anything but non-magnum .22 rimfire** rounds. I'd go as far as to say we get a big red and yellow vinyl banner to hang on the front of the backstop until such time as we have no further safety issues. We have no means of ensuring that high velocity rounds are remaining within the confines of our range at the current time with the lack of impact into a proper backstop or earthen berm.

- Wedding ring was found at the range, it is on the check-in table.
- Bore sighting kit was found at the range, it is on the check-in table.
- A rifle has been donated to the club for use as needed. The Club President will work with the individual who made the donation to coordinate a transfer to the club.
- Club has a Facebook page, Brad is moderator:

<https://www.facebook.com/groups/LancasterPistolAndRifleClub>

New Business:

- LPRC hats are available for purchase at club meetings and events for \$20.
- It was recommended that rubber playground mulch be utilized for bullet trap purposes in the self-defense and the 50 yard rifle backstops.

Member Recognition:

- To Gene Davis for his long time service to the club and ongoing generosity.

50/50 Raffle:

Our 50/50 Raffle tonight will benefit our youth program. \$42 collected / \$22 to youth program (donation of funds from Bryan Cinneli)

Lancaster Pistol & Rifle Club
