The Firearm silent auction is still going on until June 2nd when the winners will be announced. The minimum bid has been reached on all 3 of the rifles, with some exceeding the minimum so if you are bidding take note.

Again, this year there have been no entrants in our Scholarship offer, the team will try to come up with some different methods for next year.

The CMP has changed their method of offering 1911 pistols. You can now purchase 4 pistols in one year and the lottery has been discontinued. Now you go to their web page <https://thecmp.org/sales-and-service/1911-information/> Fill out the form and send it along with other documents to CMP. Details are on the webpage.
