Tim Need brought the two pistols to be raffled off this year to the meeting so that members could look at them. A Ruger MkIV and a CMP 1911.

Membership Committee report –

Two prospective members completed their application process and were voted into the club.

Old Business:

We have to report that we have lost a very active member of the club. Joanne Degroat the wife of Don Legg has left us. She was always ready to volunteer for any activity in the club and participated in many. We have decided to name the year end raffle after Joanne, it will be the Joanne Degroat Memorial Raffle.

A point was raised about a previous request to allow draw from the holster. The committee has determined that it will take a revision of the Bylaws to allow that. There is an active committee looking into changes in the Bylaws that could be presented later in the year.

The investigation into the damage to the steel targets is on-going.

New Business:

A motion was made to have a member's name made public if that member was found to have broken club rules intentionally and was disciplined. A long discussion was held on that point, a vote taken and the motion was defeated.

It was advised that members label their equipment as items have been left at the club, we try to find the owners but the range is posted that anything left after 30 days belongs to the club.
